### Building Strong Communities – Together

Does your congregation or nonprofit organization work to strengthen the Lutheran community, the Fox Cities in Wisconsin or the Twin Cities in Minnesota?

Together, we can do more good in multiple ways

#### Sustainable Impact

Behind every foundation grant is a vision of sustainability. Of helping others help themselves – not just for the short term but for years to come.

Our foundation helps support projects and missions that reflect Thrivent Financial's charitable interest. Because what's important to Thrivent Financial – its members and employees – is important to us.

From helping end homelessness to building financial health. From giving children a head start in life to bringing the church outside of its walls.

Together, we can transform grant dollars into self-sufficiency for your nonprofit organization or congregation – and the people served.

## Communities We Serve

### Lutheran Community

Your Lutheran congregation or institution may qualify for a grant to help carry out its mission. Extend its outreach. Broaden its ministry. Make a lasting – and sustainable impact.

Our foundation does more than provide "seed money." We provide support to help Lutheran nonprofit organizations, and those they serve, in achieving economic security and self-sufficiency.

Share your vision with us. Let's make an ongoing impact – together.

### Corporate Communities

Being a strong community partner is important to both Thrivent Financial and our foundation. With corporate offices in the Twin Cities (MN) and the Fox Cities (WI), we are committed to helping these areas thrive.

Our foundation helps support nonprofits in our corporate communities that address economic self-sufficiency. We partner with them to help end homelessness. Provide early childhood education. And help individuals and families improve their financial well-being.

SCHEDULE 8

## **Program Guidelines and Requirements**

### **FAQs**

#### **Q. Who is eligible for grants through this program?**

- Lutheran nonprofit organizations that are exempt from federal income tax under section 501(c)(3) of the IRS Code.
- Church bodies that have fewer than 100,000 baptized members.
- Lutheran judicatories, congregations and some inter-Lutheran entities that are considered integrated auxiliaries of the church.<sup>1</sup>

Lutheran church bodies with more than 100,000 baptized members, private foundations and individuals are not eligible for grants through this program.

Organizations that have a current grant project active under this grant program are not eligible to apply for a new grant through this program until the final grant report has been submitted to the Thrivent Financial for Lutherans Foundation.

#### **Q. What determines if an organization is “Lutheran?”**

The Lutheran identity of an organization is determined by at least one of the following criteria:

- The mission statement references a Lutheran connection.
- The by-laws of the organization stipulate that a majority of the governing board are “Lutheran.”
- “Lutheran” appears in the name.

#### **Q. Can our organization apply for a grant when we are currently engaged in a grant project funded by the Lutheran Grant Program?**

- Organizations currently engaged in a grant project funded by the Lutheran Grant Program may not apply for another grant through this program until the final grant report has been submitted.

#### **Q. What types of projects and expenses are not funded through the Lutheran Grant Program?**

- Debt reduction or operating deficits.
- Grant proposals that meet needs that Thrivent Financial for Lutherans is already addressing may be excluded from consideration (e.g., senior services, national and regional events, etc.).
- Capital costs involving the purchase of major equipment including technological equipment such as computers and associated software, furnishings, vehicles, facility construction or renovation.
- Consultation services, with the exception of feasibility studies.
- Publication costs.
- Projects that compromise Thrivent Financial for Lutherans Foundation’s neutral position in the Lutheran community, including lobbying or political activity of any kind.

While Thrivent Financial works with Lutheran congregations and institutions, it is not part of the Lutheran church. It does not take positions on matters of church politics, theology or doctrine. Thrivent Financial takes a neutral position on issues where significant disagreement or debate exists. Therefore, the organization declines grants and gifts to projects that support positions not generally agreed upon in society at large. For more information, please refer to Thrivent Financial for Lutherans and Thrivent Financial for Lutherans Foundation Policy on Grants and Gifts.

<sup>1</sup>An integrated auxiliary of a church means an organization is described in sections 501(c)(3) and 509(a)(1), (2), or (3) of the Internal Revenue Code; affiliated with a church or a convention or association of churches; and internally supported

**Q. Is there a maximum project length?**

Grant projects may not exceed two years.

**Q. Is there a minimum or maximum amount of grant funds that will be awarded?**

- The minimum grant amount is \$5,000.
- The maximum grant amount is \$100,000. Grant requests over \$25,000 must first complete a concept proposal.

**NOTE:** Funding preference is given to Challenge Grant requests. Also we look favorably at project budgets which seek to minimize expenses such that the grant requested is under the maximum.

**Q. How do we access a grant application or concept proposal form?**

These forms are obtained by completion of our online eligibility survey.

**Q. What are the deadlines for submitting grant proposals?**

Lutheran Grant Program proposals may be submitted at any time during the year.

**Q. When will we be notified that we have or have not received funding?**

Depending on the size and scope of the grant request, decisions will be communicated within eight weeks of receiving the proposal. During periods of high volume, the decision cycle may be extended. You will be notified if the decision cycle is extended.

**Grant Proposal Tips and Requirements**

- Take time to develop an achievable plan.
- Use the grant proposal form to present a compelling case for your proposal.
- Use succinct and easily understood writing to help gain consideration by grant reviewers.
- Keep in mind that the review of your proposal will start with these key questions:
  1. Are the project goals reasonably stated, defined and measurable?
  2. Does the project and organizational capacity lead toward security and long-term sustainability?
  3. Are the revenue and expense line-item projections based on solid rationale and logic? Remember that nongrant revenues must equal or exceed 25% of the total project expenses. More favorable consideration is given when nongrant revenues total more than 25%

## Grant Writing Criteria

Developing a strong grant proposal takes time, dedication and coordination of several activities, such as planning, developing a budget, writing a proposal and, in many cases, reviewing and revising your proposal before you submit it. Take time to fully understand the grant writing criteria that will be used by reviewers when evaluating your grant proposal.

- Avoid jargon and, if acronyms must be used, use the full name/title on first reference
- When writing, put yourself in the grant reviewer's place. If you weren't the one who wrote the proposal, would you have a good understanding of what your organization wants to accomplish? Would you fund the project?
- Establish and relate tangible, measurable goals and clearly articulate each one
- Give yourself sufficient time to develop your grant proposal in order to meet the grant submission deadline. Consider the time you may need to write and revise multiple drafts, gather relevant information, and submit it through any internal review process that you may have in place.
- Ask other individuals (both those who are directly and indirectly involved in your project) to read your grant proposal before you submit it. Consider clarifying any areas that raise questions or are not clear to the reviewer.
